Personal Information

Age 24
Date of Birth 4 December 1989
Sex Male

Technical Skills

Key Skills Python, C, Java, Shell Scripting, LaTeX, Assembly, Racket
Platforms Linux, Windows
Databases PostgreSQL, SQLite3
Version Control Revision control with git
Web Technologies Django, Flask, JavaScript, jQuery, JSON, HTML5, CSS,

B.Tech Main Project

| | |
|-------------|--|
| Title | Implementation of Linux Device Driver for a Temperature Sensor |
| Description | This project aims at building a hardware device for measuring the temperature of a given area. A device driver for Linux kernel has been implemented for making the hardware compatible with it. |
| Language | C |
| Tools Used | ATMega8 microcontroller |

B.Tech Mini Project

| | |
|-------------|---|
| Title | Camouflage Xtreme |
| Description | Software tool that combines steganography and encryption techniques. This tool can encrypt message using AES and hide it in an image. |
| Language | Python |

Other Projects

Paint App Using Django

| | |
|-------------|--|
| Description | A basic paint application using Javascript and HTML5 canvas. Provides almost all basic paint functions. |
| Languages | Python, JavaScript, HTML5 |
| Database | PostgreSQL |
| Framework | Django |
| app | django-paint-app.herokuapp.com/ |
| code | github.com/nidhinp/paint-app-in-django |
| blog | nidhinp.wordpress.com/2014/02/19/paint-app-in-django/ |

Blog App Using Django

| | |
|-------------|--|
| Description | A blog app which can be used to write, view posts and an additional option to comment on existing posts. |
| Languages | Python, HTML5 |
| Database | PostgreSQL |
| Framework | Django |
| app | new-django-microblog.herokuapp.com/ |
| code | github.com/nidhinp/blog-app-in-django |
| blog | nidhinp.wordpress.com/2014/03/01/blog-application-in-django/ |

Graph Colouring App using Django

| | |
|-------------|--|
| Description | Graph coloring is a special type of problem in graph theory, which has great practical importance. An app to colour the vertices of graphs. |
| Languages | Python, JavaScript, HTML5 |
| Framework | Django |
| app | graphs-django.herokuapp.com/ |
| code | github.com/nidhinp/graphs-using-django |
| blog | nidhinp.wordpress.com/2014/03/21/graph-coloring-app-in-django/ |

Lisp Interpreter

Description Implementation of Lisp interpreter using JavaScript

Language JavaScript

code github.com/nidhinp/Lisp-Interpreter

blog nidhinp.wordpress.com/2013/12/06/lisp-interpreter-in-javascript/

Blog App Using Flask

Description A blog app which can be used to write, view posts and an additional option to comment on existing posts.

Languages Python, JavaScript, HTML5

Database PostgreSQL

Framework Flask

app new-flask-miniblog.herokuapp.com/

code github.com/nidhinp/flask-blogapp

blog nidhinp.wordpress.com/2014/01/27/blog-application-in-flask/

Paint App Using Flask

Description A basic paint application using Javascript and HTML5 canvas. Provides almost all basic paint functions.

Languages Python, JavaScript, HTML5

Database PostgreSQL

Framework Flask

code github.com/nidhinp/Paintapp-Flask-PostgreSQL

blog nidhinp.wordpress.com/2014/02/19/paint-app-in-flask/

Activities

- Blogging: nidhinp.wordpress.com
- Coding: github.com/nidhinp

Personal Skills

- Comprehensive problem solving abilities.
- Excellent verbal and written communication skills.
- Positive attitude.
- Hard worker and a team player.

Hobbies and Interests

- Watching movies and blogging.
- Playing football, chess.

Declaration

I hereby declare that the above given entries are true to the extent of my knowledge and belief.

Place :Thrissur
Date :04-05-2014
